Sometimes doing greyhound rescue isn't so fun. Dogs linger in the kennel, pining for a home of their own. Dog owners call up saying that their greyhound has to go right NOW! Volunteers call (at the last minute!) to say that they won't be where they promised they'd be. But nothing is worse than facing an empty bank account, when there are dogs looking to you to provide them with the food, shelter and care that they need.

Arizona Greyhound Rescue's kennel bill for April was \$2,082.00. May's bill will be even higher. And that's not including vet costs, food, or tabling supplies. One place money doesn't go is for salaries; AGR is an entirely volunteer-run organization. Despite hundreds of hours of donated labor, last year, we spent more than we made, and were able to do that because of a surplus from 2001. That surplus is gone, and we're faced with entering summer, our slowest months for donations, fundraising and adoptions, on the ragged edge of solvency. We're looking to our adopters, who already do so much for the hounds, to step up to the plate and see us through until next fall's fundraisers kick in. Here are the ways in which you can help AGR to continue taking in greyhounds and finding them homes:

**FOSTER:** This is, by far, the most valuable, appreciated and loving thing you can do to help out a hound in need. By taking in a greyhound waiting for permanent adoption you not only relieve AGR of kennel costs (up to \$14 dollars a day in the summer!), but you also make a dog more adoptable. Fostered dogs are easier to place because they are accustomed to a house and we have a better understanding of their temperament, based on the foster family's observations. AGR provides lots of support for foster families, including regular consultations with experienced foster parents, to help you work out any concerns you might have. If you think you could be one of these very valuable volunteers, call Brad at 886-7411

**VOLUNTEER:** The more places we get the word out, the quicker we adopt out the dogs we have, and therefore minimize the costs of supporting a hound for weeks or even months. We have a list of places where we've been invited to set up a table and promote greyhound adoption, if we had reliable, enthusiastic volunteers who would be willing to take responsibility for the tabling. AGR provides all of the supplies you need, including a table, banner and literature; all you have to do is commit to being there. If you can spare a few hours a month, and would like to spread the word at a local mall, farmer's market or bookstore, give Linda a call at 886-7411.

**DONATE:** Donations make up the largest percentage of AGR's income, almost double what we make in fundraisers. If you can see your way toward sending us a cash donation, that's great! Every little bit helps, and it's all tax-deductible. But if you're a little strapped for cash yourself, right now, that's okay; there are other ways to donate. How about going through all your blankets and quilts, now that the hot weather is here, and sending all your old, stained, ragged and unneeded ones for the hounds to snuggle in (and shred!) Do you have a half-used prescription left over from your dog's past illness that we might be able to use? Could you pick up an extra bag of food (we use Pedigree) or a bag of chewies for the kennel hounds? Anything you provide is one less thing we have to spend our limited funds on.

Believe me, it's a lot more fun to fill this newsletter with happy stories of rescued hounds, or pictures of recent reunions and play dates. Nobody gets involved in greyhound rescue because they are financial wizards or enjoy putting in the time necessary for fundraising. But without funds, there is no Arizona Greyhound Rescue, and no refuge for the dozens of hounds who depend on us every month. Anything you can do for these dogs right now will be appreciated.

## TAG ALERT

One of the most important things a greyhound can have is a collar with a tag on it bearing his owners name and phone number.

These tags are for your greyhounds' protection should they accidentally slip away. To give added protection, AGR is now selling a metal tag with our phone number on it and a number assigned to your hound. If your greyhound is lost, and we are notified, we can locate you through the assigned tag number.

The cost is \$1.50 per tag. Please send the following information to us along with a check or money order and we will mail a tag to you immediately: Name, Address, Phone Number(s) (home, work, cell, etc.), and the name of your dog.

## CHANGE OF ADDRESS OR MOVING?

Are you planning to move? Has your phone number changed? If we don't have your current information on file, we cannot notify you of upcoming events. But most importantly, we can't contact you if your greyhound gets lost. It only takes a few minutes to let us know. So drop us a note or leave a message at 886-7411.

## Sammy-Girl

12/88 – 3/03

Her legs were long, her eyes were bright.  
Her ears were funny,  
One pointed left, the other right!

She always smiled, no matter who walked in, my  
Sammy-Girl with the greyt big grin.

She adapted to my house the very first day —  
made herself at home right away.

I remember the first time she saw my bed,  
overshot the jump and landed into the wall instead!

Soon she had it under control and  
my king size bed became her own.

Had to get in there first at night in order to sleep,  
or find myself cliff-hanging---gritting my teeth!

She loved to run and chase Zack around, playing  
football was the favourite sport of this greyt hound.

As time went on, arthritis set in,  
causing her to wince with pain now and then.  
When the time came that she could no longer walk,  
that didn't stop her, she learned to talk!

I understood every word she was trying to say,  
she knew how to communicate in a greyt big way.

She would let me carry her outside when  
she had to pee, and at night we would cuddle on  
the floor to watch TV.

We were always together, seldom apart.  
We had a special place in each other's heart.

March 17th, 2003, was the day Sammy-Girl said  
good bye to me. She looked up with one last grin,  
her heart just stopped, it was the end.

On the wings of angels her spirit soared,  
My dear little Sammy,  
no one could have loved you more.

I know she was happy living with  
Zack, Willie and me. We will never forget our  
wonderful girl named Sammy.

## Old Purple Quilt

Old purple quilt had seen better days  
but a sweetfaced greyhound claimed it,  
made it his own, made it his pallet.

When bedtime came 'round he told us,  
somehow, that he'd sleep quiet all night  
if we'd wrap him up tight  
in that old purple quilt.

He'd look pretty anxious when Mom took it away,  
for washing and drying was not in his plan.

When it came out of the dryer and  
back in the house, he'd greet it with joy,  
roll on it, sniff it real good,  
then circle three times, curl up for a nap  
with a satisfied sigh.

That quilt got pretty thin, began to lose stuffing,  
grew some long rips done the middle.  
Needle and thread plus plenty of patience  
gave it new life, made an old dog happy,  
made Mom promise not to throw it away.

When it began, I surely can't say.

Our happy old hound wore that quilt  
like a king's robe or a bullfighter's cape,  
getting up quick,  
dragging it across the living room floor.

Then suddenly the old grey guy got sick,  
wouldn't eat, wouldn't drink, couldn't stand.  
The doctors worked hard to save our old hound,  
the best of good dogs that ever we found.

It was his time. He crossed into heaven,  
leaving tears in our eyes and  
an old purple quilt,  
forlorn in the corner.

On April 13, 2003 Arizona Greyhound Rescue held its annual Spring Reunion at Reid Park. Under a beautiful blue sky, greyhounds and their owners enjoyed an afternoon of shopping, games, therapists and a special visit from the Easter Bunny. Some of the greyhounds were surprised to see such a big rabbit but many others were happy to get their pictures taken with the strange bunny.

The shopping selection was incredible. The vendors include our returning favorite Paula Huter, the Hound Maid, whose cute pillows and coats were very popular. Kevin of Pet Designs brought his Solid Gold premium dog food and treats to sell. He also raised \$160.00 for A.G.R. by trimming greyhound nails. That's over 30 greyhounds served! Tug 'N' Hug Pet Harness had a terrific selection of humane no-pull body harness. These harnesses have been endorsed by the National Greyhound Adoption Program (NGAP). Marsha Roe and Mik Wilkens, from Phoenix, not only came down with their items for sale but a whole crew of people and greyhounds. Marsha brought her beautiful leather items, collars, leashes, day timers and pillows ([www.marshasmartingales.com](http://www.marshasmartingales.com)). Mik displayed her artistic talent by providing Henna tattoos. Mik also does incredible portraits and felt masks for greyhounds ([www.mikdesign.com](http://www.mikdesign.com)). Loren of Loren's Pooper-Scooper Service provided his pick up service at the Reunion. A.G.R. had many items to sell including wall and desk calendars, shirts, note cards, books, hats, soap, videos and Raffle tickets. The raffle and silent auction included items from items from The Hound Maid, Wiggle, Wags & Whiskers, the Greyhound Gang, Silk Road Collars, Golden Hound Jewelry, Carpe Canem, Black Horse Designs, Mrs. Bones Collars, Fast Jack Sportswear, PetsMart, Greyhound Hut.com, Marsha's Martingales, Pet Design and Northcoast Greyhound Support.

Attendees also had a variety of services and games to take advantage of. Dr. Brad, A.G.R.'s Adoption & Fostering Coordinator, set up a table to answer questions about greyhound behavior and to give valuable advice to adopters. A.G.R. was pleased to have Lynn Young of Animal Lights at our Reunion.

Ms. Young treats animal behavior problems using Colorpuncture Chromatherapy which is similar to acupuncture except colored lights are used instead of needles. She is currently assisting A.G.R. with some of our available greyhounds to help make them more adoptable. Hounds and their humans enjoyed the treat walk, Pin the Nose on the Greyhound, and the ever-popular Bobbing for Hotdogs!

Arizona Greyhound Rescue wishes to thank everyone for coming out to have fun and give support to our organization. Besides providing fun, shopping and education, these events help raise money to offset the costs of the kennel, medical, food and general care that A.G.R. deals with monthly. As you all know, any profits made from this event go straight to the dogs, and it is only because of the commitment and generosity of our adopters that AGR exists at all! It is also a chance for people to get together and meet other people who are deeply in love with greyhounds. If you have some comments about this event, what you enjoyed or what needs improvement, please feel free to e-mail me at [snowythe-greyl@yahoo.com](mailto:snowythe-greyl@yahoo.com).

## My Trip to the 5th Annual Greyhound Gathering in Kanab, Utah

By Snowy

Dawn & I just got back from our second trip to the Greyhound Gathering in Kanab, Utah. There were 389 greyhounds and 376 humans at the Gathering. There was a lot of shopping, food, lecturers, celebrations, a parade and Rooping.

On the first day, Friday, May 9th it began to snow lightly as we were eating breakfast at a café. The weather cleared up throughout the day. In the afternoon, our hostesses Claudia and her greyhound Beauty gave a demonstration on how to help greyhounds into and out of cars. That evening we all gathered at the Recreation Center to celebrate the Golden Greyhounds. There were over 80 greyhounds that were 10 years or older. First we did a "greyt" big Roo and then the Golden Greyhounds received special goodie bags. When the live auction started the humans got crazy. All the money raised at the Gathering is going to Dr. Heather Weir who is building a big rescue kennel in Colorado called Almost Home for Hounds.

On the morning of Saturday, May 10th I ran in the Blur of Fur run sponsored by Fast Jack Sportswear. It was a blast! Someone held on to me while Dawn went down to the end of the run. Then they released me and I ran as fast as I could to her. A policeman used a radar gun to clock how fast I went. I ran 25 mph and received a ribbon. The fastest greyhound was a small black girl named Mattie who went 34 mph. Dawn found out that Mattie had been adopted as a puppy and had never raced. Zeke the three legged greyhound from Phoenix ran 27 mph. I'll have to start training Dawn for next year's run. Then we went to the main street to be in the parade. There were greyhounds dressed up like Fairies, bags of potato chips, the three-headed dog Fluffy from the Harry Potter movie, Peter Pan, Buffy the Stuffy Slayer, and three little sheep from Minnesota. I got lucky and Dawn did not have time to make a costume for me to wear this year. We met everyone at Frontier Town for lunch. Dawn had pizza for lunch and I took a long nap. The evening events took place at Angel's Landing at Best Friends Animal Sanctuary ([www.bestfriends.org](http://www.bestfriends.org)). Best Friends is the largest no-kill animal sanctuary in the United States. Angel's Landing is a natural amphitheater where long ago shamans gathered to communicate with other worlds. We brought our own dinners and enjoyed a night of Rooping, raffles, auctions, and lectures. There was also a Celebration of Life where we remembered all the greyhounds that are on the other side of the Rainbow.

On the last day, Sunday, May 11th, Dawn finished up some shopping and then we met everyone else at Frontier Town for lunch, raffles, auction and lectures. Many years ago a lot of western movies and television shows were filmed in Kanab. Frontier Town has a lot of western memorabilia. When we were done, it was time to leave. I had so much fun and I think Dawn was sad to leave. We met greyhounds and their humans from Washington State, Texas, Massachusetts, Illinois, California, and even England. Dawn and I hope that some of you will come with us to Kanab next year to enjoy this wonderful weekend.

## Arizona Greyhound Rescue 2003 AAA Tigers

By Jeanette Porter

Once again, Arizona Greyhound rescue is sponsoring a CDO Little League baseball team, the AAA Tigers. The season has gone by incredibly fast and with each game, the boys look better and better. Although we don't have a winning record, we go into every game with great enthusiasm and never hang our heads after a loss. There are 12 boys on the team, several of which have never played baseball before and the age range of the boys is from 9-12. Lack of experience is usually a problem for a team but somehow these boys look like they have played for years.

We play all of our games at James Kreigh Park in Oro Valley. The majority of our games are on field 4 and directly behind the field is a great dog run. On several occasions there have even been some Greyhounds running in the dog run. The regular season is 16 games and then starting June 2nd, the Tournament games begin. The tournament is double elimination so it will be very important for the team to play their best.

I am the manager of the team and my assistant coaches are Mark Strumpf and John Springetti. The players in the team photo are:

Front Row: Cory Santaella, Daniel Rosales, Robert Dreier, Andrew Strumpf, Ryan Porter, Benjamin Shinohara, Chad Springetti, Robert Pinedo

Back Row: Eli Akowski, Coach Jeanette Porter, Assistant Coach John Springetti, Kyle Petty, Assistant Coach Mark Strumpf

Not pictured: Kyle Nichols, Stefan Nieth

The AAA Tigers are very appreciative of the support that we get from AGR and we proudly wear Arizona Greyhound Rescue on the back of our jerseys. We look forward to playing the three final games of the season and we will do everything we can to be a success in the tournament. We would certainly love for all the AGR volunteers and their hounds to come the games and cheer us on!!!!

**Become an Arizona  
Greyhound Rescue  
Sponsor Today!**

We can't say it often enough. Without the generous support of individuals and businesses, Arizona Greyhound Rescue would cease to be, and hundreds of hounds would no longer have a way home. Please support the following businesses and organizations, so they can continue to support greyhound rescue. Thank you to everyone who helps the hounds!

## Thank You for Your Generous and Continued Support!

Because of special people like you, AGR is able to continue to place hounds in new homes! As we take more and more new hounds off the track, to care for hounds with special needs, and to cover our boarding and veterinary costs, we ask for your continued support. We are a non-profit, all volunteer organization, and our continued existence depends on your help and generosity. Every dollar translates into food, shelter or medical treatment for a greyhound and is tax-deductible. Please use the form below to indicate your level of support.

- \_\_\_\_\_ \$150 GREYHOUND SAINT Sponsors a new greyhound, from track to adoption
- \_\_\_\_\_ \$100 GREYHOUND GUARDIAN Funds a spay or neuter
- \_\_\_\_\_ \$75 GREYHOUND ANGEL Provides a much needed medical and dental treatment
- \_\_\_\_\_ \$50 A HOUNDS BEST FRIEND Kennels and feeds a hound for two weeks
- \_\_\_\_\_ \$ \_\_\_\_\_ I'd like to contribute for the purpose of \_\_\_\_\_
- \_\_\_\_\_ \$ \_\_\_\_\_ Please accept this donation in the name of \_\_\_\_\_
