Arizona Greyhound Rescue (AGR) is a 501(c)(3) Non-profit Organization. Our mission is to enrich our community and the lives of sighthounds through adoption, companion programs, and education. We envision a world where every sighthound is valued and has a loving, forever home. In order to achieve that vision: AGR acts in the best interest of sighthound breeds, and we believe in educating the community about sighthounds and humane care. We operate from a foundation of honesty and integrity, and we support, encourage, and welcome an active volunteer base that shares our passion and vision.
